To Whom It May Concern,

It is with great confidence that we recommend Sly Production von Vadym Viazovskyi as a trusted and highly skilled production partner. Our company, All Motion, has had the pleasure of working with Sly Production for over five years across numerous high-profile projects in both Europe and the United States.

During this time, they have consistently delivered outstanding results, even when faced with extremely tight deadlines. Their ability to maintain top-quality standards under pressure is one of the many reasons we continue to rely on them as a key partner in our event and exhibition work.

Our collaboration has included successful projects for globally recognized brands such as Bacardi, Martini, L'Oréal, Coca-Cola, Nivea, and Nestlé. In each case, Sly Production demonstrated strong creative thinking, precision in execution, and a highly professional attitude that contributed significantly to the success of these activations.

One of the standout examples of our partnership was the Florida Bridal & Wedding Expo in the United States, where Sly Production helped us deliver an elegant and flawlessly finished stand under challenging logistical conditions. Their flexibility, attention to detail, and commitment to excellence were instrumental in bringing the vision to life.

We hold Sly Production in the highest regard and would not hesitate to recommend them for any exhibition, event, or decorative production needs. They are reliable, resourceful, and a pleasure to work with.

Sincerely,

Guschin V.
